Note from the President

Dear friends of our Westerly Library and Wilcox Park,

I want to take a moment to thank all of you for being a part of our success. As I look back over the last two years, we have set attainable goals and met them head-on with the support of our tireless staff, led by our Executive Director, Park Superintendent, dedicated Board of Trustees, Incorporators, community members and supporters like you.

Our association's library and park is being guided by a new Strategic Plan taking us into 2027, with a strong financial report during uncertain times. Over the past year we have unveiled a website and logo that we introduced to the community on a billboard in town. We have started renovation work on the cottage. We continue to improve our park and create new and lasting partnerships within the community as we witnessed most recently with the Veterans and Chamber.

Our mission and vision have been clear from the start: to strengthen our community and enrich the lives of those who are here and remain an asset for the region. We continue to work with our leaders from Westerly and Stonington addressing the needs they bring forward, as well as celebrating their accomplishments. The Friends of the Library & Park marked their own milestone and continue to promote and further our goals. We could not do this without their support.

As I close out my term as President of the Board of Trustees, I look forward to the new ideas and partnerships that will evolve and grow and will make our library and park even better. Both hold a special place in my heart and I am so honored and grateful for the opportunity to have been a small part of it. I thank all of you for your continued support for these community treasures.

Sincerely,
Betty-Jo Cugini
Outgoing President, Westerly Library and Wilcox Park

MISSION

The mission of Westerly Library and Wilcox Park is to strengthen community and enrich lives by stimulating intellect and sparking imagination through access to literature, information, technology, nature, and the arts.

Note from the Executive Director

Ensuring Westerly Library and Wilcox Park provides resources, services, and programs to meet our community's needs means we must reflect those we serve and the world outside our community. Residents and visitors should be able to learn about other places, times, and people, both fictional and real, and find themselves. Providing materials and programs that are welcoming, educational, and entertaining is critical to our spaces and places being used, and cherished by all.

Libraries have never been just about books. They are about ideas and facts, the future and the past; about people and a democratic society where everyone has access to the information they need and desire. They let people learn about their own lives and the truths of others using authoritative information. We do not force information and ideas, but we do provide access to information and ideas and allow others to formulate factual narratives on their own. And to compliment the education and entertainment we offer, the Association provides a beautiful park that helps improve ones' physical and mental health.

Over this past fiscal year, we were presented with many exciting opportunities to not only educate and inform users and visitors but to also listen and learn from them. And while there were a few times in which we had to defend what we do and why we do it, we knew we had much greater support from this caring community. We appreciate their resilience, creativity, innovation, partnership, comradery, acceptance, empathy, and dedication to us and those we serve. Without them, and you, we could not be the library and park that people know and love. Our patrons are our most valuable resource. We exist for them and for this community. Without our community members, without our volunteers, and without our financial supporters we could not be here to fulfill our mission and vision and uphold the values that we all share.

As always, thank you for helping us provide an incredible library and park for our neighbors and community members, family and friends, and visitors. I look forward to another wonderful year of providing outstanding services, resources, and programs.

Sincerely,
Brigitte Hopkins, Executive Director

The Wilcox Society honors our generous donors who have made a gift to the endowment fund or for those who have included the Association in their wills. These gifts leave a lasting legacy and provide a meaningful opportunity for donors to make a transformational gift after they have left us.

We would like to take a moment to remember former Incorporators, Trustees, volunteers and Friends who have passed away this fiscal year.

Incorporators

Arthur Maxson Cottrell, III | March 2023

Art was active in his community as a volunteer, in his professional career as a bank trust officer, as a participant in the local music scene, and as an elected official. He was involved with many organizations such as the Westerly Chorus, Westerly Hospital, and Westerly Library & Wilcox Park among others. He served as an Incorporator and a member of the Friends of Westerly Library & Wilcox Park for many years.

Constance Geduldig | July 2022

Connie was a talented artist and creative businessperson, putting all her skills to work revitalizing Windswept Farm. After retiring, Connie spent several years as a volunteer in the library. She was an Incorporator and a member of the Friends of Westerly Library & Wilcox Park.

Jacqueline Hutcheon | March 2023

Jackie was a lifelong educator. During her professional career, she and her husband traveled throughout the United States, Canada, Mexico, Central America, Europe and Africa. Upon retirement, she returned to her native Rhode Island and became an active volunteer in the community. She was involved with several local institutions, including the Chorus of Westerly, Westerly Hospital, and Westerly Library & Wilcox Park, where she served as a Trustee and as President of the Friends of Westerly Library & Wilcox Park.

J. Christopher Philips | November 2022

Chris always recognized the critical value of a good education. He founded the Community 2000 Education Foundation, which provides scholarships for Chariho regional high school students. As an active member of the community, Chris served on a variety of Boards including the Ocean Community YMCA, the Weekapaug Foundation for Conservation, and the Weekapaug Golf Club. He served as an Incorporator of Westerly Library & Wilcox Park, where he was known to strike up conversation with staff and fellow patrons in the Old Main Reading Room.

Volunteer

Catherine "Kay" Bresette | February 2023

Always insisting it was better to give than receive, she was a long-time volunteer of the Westerly Hospital and Westerly Library & Wilcox Park.

The individuals listed above passed away between July 1, 2022 and June 30, 2023. Every effort was made to ensure a complete list, but please notify us of any corrections or omissions.

We've got it all.
